

## LOWER SCHOOL BUS STUDY HALL

**PURPOSE:** The Lower School Bus Study Hall is a supervised time following Lower School dismissal during which Groups I-IV students begin homework assignments.

**WHO MAY ATTEND:** This Study Hall is provided ONLY for those LS students in Groups I-IV who are riding a bus home or those Group I-IV girls with sisters in Middle or Upper School who are waiting for the dismissal of an older sibling. Parents wishing for other activities or homework time after school might consider the Serendipity programs.

**TIME:** The Bus Study Hall begins at 3:20PM, and lasts until 3:45 PM, at which time students straighten up the room and head up to the Upper School circle to await the busses. ***Students awaiting older siblings must be picked up by 3:45 PM.***

**GUIDELINES FOR STUDENTS:** Although the time is brief, we hope that your daughters will use the study hall to start their homework and thereby have less to do when they get home. Here are the guidelines for your daughter to follow:

- Find out each day where the study hall is held by consulting the white board outside the Lower School office.
- Bring all the materials and books you need for that day's homework.
- Check in with the supervising teacher, find a seat and begin.
- If you have a question or need some guidance with an assignment, ask the supervising teacher.
- When it's time to leave, please straighten up the area you were using and shake the teacher's hand.
- 

**PLEASE REFER ANY QUESTIONS ABOUT STUDY HALL TO Mrs. Tyndall.**  
To enroll, please fill out form below and return to LS office by September 5.
